1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

We are residential customers of Duke Energy, who have recently retired from teaching.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

As recent retirees with very modest retirement incomes we are concerned with the magnitude of the rate increase request. Our concern is that this increase, combined with other cost-of-living increases in fuel, food, insurance, etc., will have a significant adverse impact on our budget.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *
(This section should be completed.)

No thank you.
